Campmeeting Highlights

What a blessing it has been to see God working through our campmeeting! Here are just a few highlights from this year's gathering:

- **A Life Changed**: We had one individual baptized! We rejoice in seeing lives changed and celebrating this important step of faith.
- **Investing in the Next Generation**: For some children and youth, campmeeting may be one of the few opportunities they have to hear about Jesus and grow in their faith. What a blessing it is to pour into their lives, share God's love, and encourage them to carry that message home to their families and friends. We are thankful for the opportunity to invest in the next generation!
- **Adult & Youth Kickball**: Another camp meeting favorite! The adult and youth kickball game continues to be a huge hit, with the adults still undefeated! Looks like the youth will have to come back next year ready for a rematch!

From the Board of Directors

Please take a moment to read the attached letter outlining an important need at our campground and how you can help us with the much-needed tabernacle roof replacement. We appreciate your prayers, support, and generosity as we work together to address this need.

Ways To Help

A Special Request for Prayer and Financial Support
Help Us Restore Our Tabernacle

Dear Church Family,

For many years, our tabernacle has been a place where lives have been changed, prayers have been lifted, hearts have been encouraged, and people have gathered together to worship and hear the Word of God. It has been a special place for countless individuals and families, and we are grateful for the memories and spiritual impact that have taken place within its walls.

Unfortunately, we are facing a significant need. Our tabernacle roof has begun leaking, and the problem has reached a point where replacement is necessary. We want to be good stewards of the facilities God has entrusted to us and ensure that this place remains safe and usable for future generations.

We are reaching out to ask for two very important things: **your prayers and your financial support**.

First, please pray with us as we work through this project. Pray for wisdom, direction, provision, and the right people to help us complete the work. We know that God is faithful, and we trust Him to provide for the needs before us.

Second, we are asking you to prayerfully consider making a financial contribution toward replacing the tabernacle roof. Every gift, regardless of size, will make a difference and bring us one step closer to completing this much-needed project. If you are unable to give financially, your prayers and encouragement are just as appreciated.

Our desire is to see this tabernacle continue to serve as a place of worship, fellowship, ministry, and spiritual growth for many years to come. Together, we can help preserve a place that has meant so much to so many people.

Thank you for your continued prayers, generosity, and support. We are grateful for everyone who has been part of this ministry and who shares in our desire to see it continue.

May God bless you for your kindness and willingness to partner with us.

With gratitude and faith,

St. Louis Church of God Campground
